Hey is there anyway to split up our SOW into two parts?

10:36 AM

Like split this up

10:39 AM

The image contains two separate screenshots of a software application's interface. Both screenshots show a grid-like structure with columns for task name and status. The top screenshot shows five rows of tasks, and the bottom screenshot shows six rows. The tasks appear to be related to project management or document review.

Master Production Items	
1	New Project Management
2	New Project Review of Management
3	New Project Review of Project
4	Review of Project Management
Production Items	

Master Production and Production Items	
1	New Project Review of Master Production
2	New Project Review of Project
3	Review of Project
4	Review of Project Management
5	Review of Project Review of Project
Master Items	

10:40 AM

Certainly can. Hit me when you can I want to make sure I'm understanding

11:09 AM ✓

Split that screenshot in two sections to an invoice and send to my hello address predicated with original date

12:50 PM

They want to make sure invoices are less than \$10M

12:50 PM

So they don't need board approval

12:50 PM
